

COVID-19 POLICY

It is Colour My World's policy to safeguard student's health and well-being.

In view of the recent COVID-19, students who attend workshops are advised to be aware of the following:

- Temperature check of participants and accompanying guardians upon arrival at CMW.
- Facemasks provided by students must be worn at all times
- Small class ratio with work groups spread out over 5,000 sq ft space.
- Classroom fixtures and fittings disinfected in between classes.
- CMW community is close and supportive of each other. All families follow self-Isolation policy if applicable before attending our workshops.
- We have put in place anti-epidemic preventive measures at the studio. Workshops may however be cancelled by us for safety reasons. We will credit full amount to your account for later use (up to 6 months). We do not give cash refund for workshops already paid for.

If your child is unwell, please contact our staff and we will arrange a makeup date before term ends for any workshops missed.

Thank you for your cooperation.
