

WEATHER POLICY

Enforced closures: No workshop will run in the event of Black Rainstorms, Typhoon 8 or higher signals. We regret that we do not arrange for class make-up or refund due to these enforced closures.

When a workshop is scheduled to start in the morning and there is a Black Rainstorm or a Typhoon 8 or higher signal, the morning workshop will be cancelled. Our studio will re-open 2.5 hours after cancellation of a storm warning! When an afternoon workshop is scheduled for 2:00 pm or later start and enforced closure is in place, our studio will close for the day.

Please call our emergency number 2580.5028 if you are in doubt on the day.
